

PICTURE FRAMING CLASSES

We offer a comprehensive framing course for beginners, suitable for anyone including students, artists and hobbyists. No prior experience is necessary. Note: Applicants must be over 18 years of age.

The classes provide:

- A fully equipped workshop with the latest equipment
- A wide range of stock to choose from
- Friendly, helpful staff who will advise you on suitable frames and colours to give you a professional finish
- Easy to follow step-by-step instruction and comprehensive notes

The course has been designed specifically for people to frame using the professional equipment in our workshop. On completion of the course, you are welcome to use our facilities during the following hours:

BUSINESS HOURS:

Monday to Thursday 10am-6pm

Tuesday 10am-7pm

Saturday 10am-5pm

All students will receive a certificate on completion for the course. An introductory offer of 20% off all material costs applies for one month directly following the final session.
