

## PICTURE FRAMING CLASSES

Framed By You offers Melbourne's most comprehensive DIY framing course. It is suitable for everyone from complete beginners to framing enthusiasts looking to sharpen their skills. No prior experience is necessary.

We provide:

- A fully equipped workshop with the latest framing equipment
- A wide and up to date range of frame, mount and glass stock to choose from
- Professional and helpful to guide you through the framing process
- Step by step instruction and comprehensive notes

Our course has been designed to teach students how to frame using the professional equipment in our workshop. On completion of the course, you are welcome to use our facilities on an ongoing basis, paying only for the materials you use.

All students will receive a certificate on completion of the course along with a **20%** discount on all materials for your class project piece and then for your first month following the course.
